Lee Dyson

HEY MISTER DJ & LET'S PLAY LA
OWNER

Driven by a deep love for music and creating good vibes, Lee Dyson delivers outstanding events across Southern California and beyond with his entertainment company Hey Mister DJ. He works with the most talented and experienced DJs and entertainers for weddings, corporate events, Bar and Bat Mitzvahs, private parties, nightclubs and beyond. With a background in hospitality, Dyson's journey behind the turntables began in his hometown of St. Paul, Minnesota before moving onto the hottest clubs in Miami and LA. "I'm a people-pleaser and appreciate good service," says Dyson. "It's been a joy to combine my interests. It's so rewarding to watch how people respond at an event where the design, atmosphere, lighting and music are all 100 percent on point to bring people together."

Always an innovator, Dyson pivoted during the pandemic and hosted more than 1,000 virtual events, bringing joy to countless people stuck at home. "It was thrilling and challenging," he reflects. Today, back to in-person parties, his love for creating energy in a room through music and watching guests thrive on it is as strong as ever. He'll soon launch a new interactive game show format for corporate events and private residences and he continues to expand his offerings through emceeing, hosting, public speaking and auctioneering services.

He takes pride in his ability to be an active listener to understand and deliver his clients' visions for their special events. He also donates his entertainment services to several nonprofits annually. When it comes to advice to other modern men, Dyson says, "Trust your gut and always give 100 percent."
